PRO SPORT @ LINES

For those who want the most out of their time!

Depending on the centre, students can choose Pro Sport such as:

- Pro Football with Arsenal FC or Chelsea FC
- Pro Tennis
- Pro Golf
- Pro Wellness (only for Junior and Senior girls)

The goal of the Pro Sport programme is to provide quality instruction within an environment that is fun and exciting. The coaches will help players of all abilities improve their technique, increase self-confidence and enjoyment of the game. We teach beginners the basics or allow experienced students the chance to fine-tune their technique.

Students have up to 8 sessions a week.

Each sessions is 45'.

These Pro Sport activities are done with the best professional coaches from highly recognised organisations such as Gosling (Tennis – Centre of Excellence), Arsenal FC among others. All coaches are qualified and are supervised by our own staff.

As we have a limited number of places available, it is a good idea to reserve your space soon to ensure participation.
